

STPD July 2026 Solebury Township Board of Supervisors Report

Respectfully Submitted,
Kelley D. Warner
Chief of Police

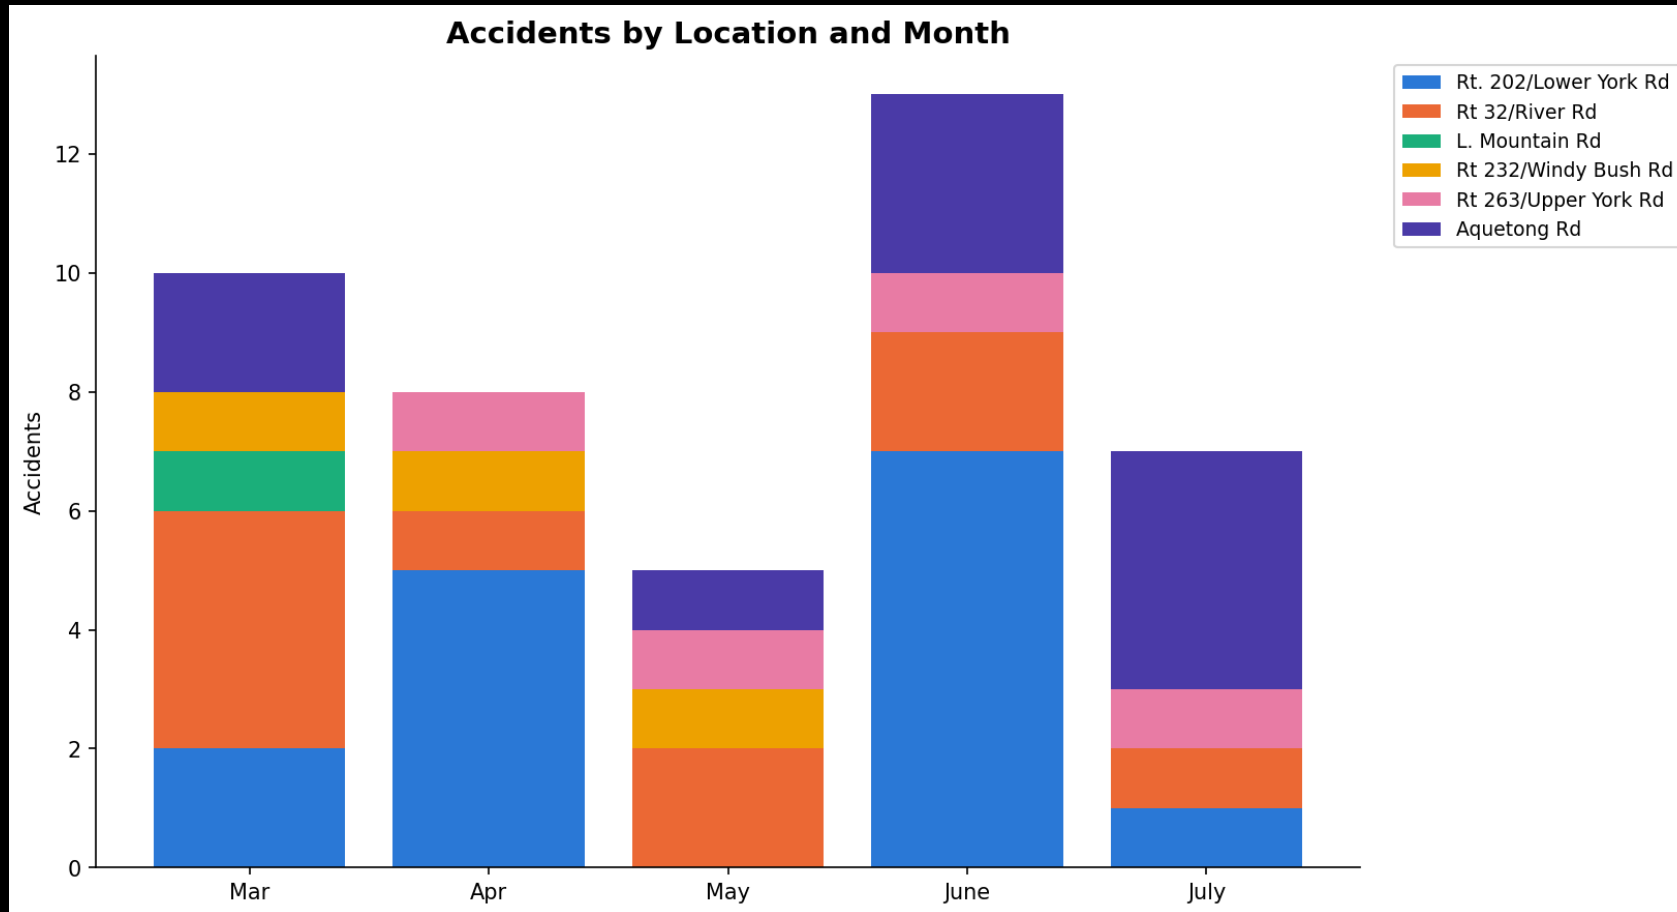

Monthly police activity by category, Jan-Jul

Overall Trend

- Overall volume of calls peaked in April with 751 CFS and dipped into June with 631 CFS and rebounded slightly in July with 671 CFS.
- Proactive activity such as directed patrols, business checks, house checks and traffic enforcement continue to be the highest volume categories.
- Road hazards also spiked in July, due to the several storms passing through Solebury Township.

Crashes

Overall Trend

- Rt. 202/Lower York Rd is the hotspot: 35% of all recorded accidents in over the past five months
- June proved to be the worst month with 13 total accidents
- Traffic Safety Sergeant Mansour has reviewed the majority of the crashes for cause. Rear-end crashes along the Rt.202 corridor stands out.
- The department will continue to monitor these hotspots and consider prevention efforts.

Notable Activity

- Criminal Mischief: In late June and early July 2026, several vehicles were struck by eggs while traveling on Route 202 near Lower Mountain Road. Officers increased patrols and contacted a group of juveniles, discussing the potential hazards and consequences of such behavior. Although no charges were filed, no further incidents were reported after the encounter.

Notable Activity

- **DUI:** On 07/12/26, STPD officers responded to a single-vehicle crash in the 6600 block of Greenhill Road. The vehicle struck a retaining wall and overturned onto its side, trapping the driver inside. Officers assisted the driver in exiting the vehicle and observed clear signs of intoxication. The driver was transported to St. Mary's Medical Center for evaluation and a blood draw. Charges are pending toxicology results.
- **Fire:** On 07/13/2026, STPD officers responded to the residence as well as NJ Eagle VFC. It was determined that an overloaded electric outlet caused a small fire that was extinguished prior to first responders arriving on location.

Notable Activity

- Defiant Trespass: During a patrol of Lake Solebury, officers observed two males paddleboarding without life jackets and later made contact with them on private property near Solebury School. Both admitted accessing the lake from school property and were found in possession of fishing equipment. After being identified and advised of the property's restricted status, the 18-year-old was issued a warning for defiant trespass, while the 16-year-old was referred to the Youth Aid Panel and will be cited for defiant trespass. Parents were notified, and both individuals were advised not to return until the property is reopened to the public.

Notable Activity

- 302 Commitment / Resisting: On 07/24/26, officers located an individual at Wawa who was the subject of an outstanding 302 warrant. When advised of the warrant, the individual actively resisted being taken into custody, requiring multiple officers to assist with restraining and handcuffing him. He was subsequently transported to Doylestown Hospital by New Hope Borough Police. Minor damage was reported to a nearby parked vehicle during the incident.

Co-Responder Activity

- The co-responder received 9 referrals during the month of July. To date, she has received over 30 cases since April 2026.

Traffic Complaints

- 3700 Block of River Road (30 MPH Zone): Following a speeding complaint, STPD deployed a radar box near the Lumberville General Store for nine days.
- Of 14,752 vehicles recorded, only seven (0.047%) exceeded 40 MPH, while 85% traveled at 25 MPH or below.

Traffic Complaints

- River Road/Greenhill Road (40 MPH Zone): Following a speeding complaint and poor signage, STPD deployed a radar box at the location for seven days. Of the 7,019 vehicles recorded, only two vehicles exceeded 50 MPH, while 85% traveled 35 MPH or below.

STPD At Solebury Township's Summer Camp

- STPD was excited to participate in Summer Camp this month! Each week officers spent time with campers teaching them about safety and even assisting them to solve a mystery! Fun was had by everyone!

Mystery Solving at Summer Camp

Congratulations Officer Justin Broskey and Officer Matt Gaeta!

- In late June and early July, Officers Broskey and Gaeta successfully completed their Probationary Year with the Solebury Police Department. Both officers have performed above expectations, and we are very lucky to have them onboard here at STPD!

STPF Supports Fitness Area Upgrades

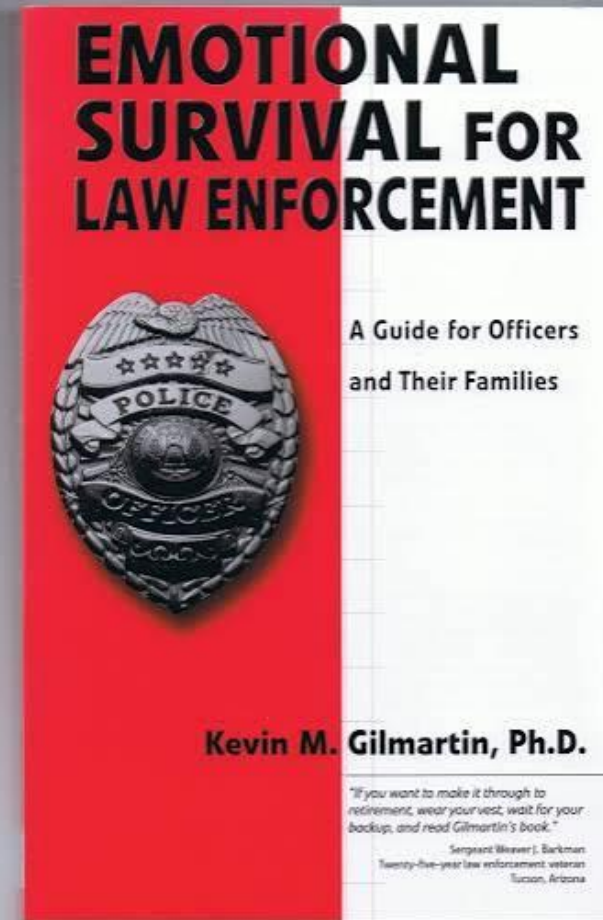

- The Solebury Township Police Department is committed to supporting the health, safety, and readiness of its officers and staff through a dedicated fitness and wellness program.
- The department currently maintains a small on-site gym with a variety of exercise equipment, much of which was generously donated more than six years ago. Despite its age, this equipment remains in frequent use, with over 75% of department personnel relying on the facility during their meal breaks to maintain their physical fitness.
- The Solebury Township Police Foundation generously approved a request to upgrade the gym equipment. Administrative Specialist, ReNee Derstine, spearheaded the project through input from department members. Public Works provided much needed support by moving some of the large equipment. In addition, many officers assisted with in assembly and painting!
- I am pleased to report the gym is now a new and improved space for our officers and staff. Thank you for the continued support of our officers!!

Training

- Detective Josh Brooks attended a free seminar sponsored by Valor Technical Cleaning. The training was based on the well-known book written by Dr. Gilmartin.
- Training report attached.

Training

- Officer Ken Berger attended the Gracie Survival Tactics, Level 2 training. Ken is already an accomplished trainer in the field of defensive tactics; however, with this certification he will instruct our team on the latest techniques called the SafeWrap restraint system.
- STPD will complete this training in late summer early fall 2026.
- Congratulations Officer Berger!
